

Information Security and Privacy Statement

Objectives—Central 1 has created this information security and privacy statement in order to document and communicate our commitment to doing business with the highest ethical standards and security practices.

Explicit Information Gathering - You may access our entire Internet site without disclosing any information whatsoever. Information that is provided is used to supply visitors with material regarding our products and services in addition to related business matters. This information is also used contact members when necessary. From time to time, the information gathered through this site will be used to notify you about additional products and services we believe will be of interest to you.

Covert Information Gathering - Our site does not covertly capture information regarding the specific activities of any particular user. Our site does, however, produce reports that permit us to view visitor activity on our site in anonymous or aggregated format. We also use cookies to capture information about visitors with their implied consent.

Precautions For Children - Central 1 does not attempt to collect personal information from children. If a child sends personal information to us, and this information can be identified as originating from a child, the information will be deleted. We cannot always determine which information originates with a user that is a child. We do not maintain databases about children.

Information Usage – Unless prior consent has been provided by you, the information you provide to Central 1 stays within the organization. The only exception involves disclosure to the government for legislated purposes or to comply with a court order.. We will not sell, rent, trade, lend, or otherwise transfer such personal information to affiliates, subsidiaries, sister companies, holding companies, parent companies, strategic partners, or any other organization except with your consent..

Links to Other Sites - This site contains a number of links to other sites. Central 1 is not responsible for the security or privacy practices of these sites, the products or services offered by these sites, or the content appearing at these sites. Central 1 does not endorse any of the products or services marketed at other sites.

Security Measures - Our site is protected with a variety of security measures such as vulnerability assessments, change control procedures, authentication and physical access controls. We also employ a variety of other mechanisms to ensure that data you provide is not lost, misused, or altered inappropriately.
