Now your members can use the *Interac* e-Transfer service to quickly send international payments to their family and friends at over 500,000 Western Union locations around the world. With Western Union Money Transfers via *Interac* e-Transfer offers your customers the convenience and confidence of trusted brands to send their money.

YOUR MEMBERS CAN

- / **Send money through their online banking to Western Union locations in over 200 countries**
- / **Be confident that the recipient can collect in cash at a Western Union location**
- / **Access an address book for contact management**
- / **View and manage pending transfers**
- / **View transfer history**
- / **Receive transfer notifications and reminders**

Provide a fast, simple and convenient process for your members

No need for your customers to set up new accounts, user IDs or passwords – they can get started immediately within online banking. Plus with Western Union Money Transfers via *Interac* e-Transfer an international transfer can be processed and available for collection in approximately 30 minutes.

Save your members money on international transfers

For low value transfers, customers can transfer money for less than the cost of a wire transfer or many other alternatives.

Get started easily with our streamlined product

Some mobile person-to-person payment offerings require complex partnerships between credit card companies, financial institutions, phone manufacturers and wireless carriers. Western Union Money Transfers via *Interac* e-Transfer takes the work out of getting started today.

Compete effectively with the big banks

Many big banks already offer online international transfers. It's only a matter of time before your customers expect this convenient service.

MEET YOUR MEMBERS NEEDS WHILE GROWING YOUR BUSINESS

With the increased frequency of your customers online banking activity comes the potential to drive additional revenue while providing an in-demand service.
