

Small Business Payroll

Retain and attract new small business customers with a truly powerful and fully integrated payroll system made for online banking. Payroll processing times are cut in half from a lengthy 6 business days down to 2 – or less*..

An accounting powerhouse for Small Business customers

Fast and easy does it

Small businesses want innovative solutions that work fast—and Central 1 wants to give it to them. Small Business Payroll lets owners easily pay all their employees anytime, anywhere, all within online banking.

Payments are sent, cleared and deposited directly into employee accounts in no time at all. Even CRA gets its cut the same time employees are paid. Help your small business customers save time and money—two of the most precious resources for small business.

**CUTS PAYROLL PROCESSING TIMES
FROM 6 DAYS TO 2 OR LESS**

Cash flow

Cash flow is always top of mind for small business owners. Now they can clear payments faster with direct deposit, see cash flow at a glance and from any device.

Small Business Payroll does it all

- **Pays** everyone including full-time, part-time, seasonal, vendors and contractors
- **Supports** all Canadian bank accounts; no one is out of reach
- **Calculates**, files, and automatically pays all federal and provincial payroll taxes
- **Allows** owners to approve payments anywhere in the world. Supports Delegates and Dual Signers
- **Delivers** quick summaries of employee deductions and employer contributions for tax payments: CPP, EI, T4s, ROEs and more
- **Improves** cash flow because payments are created, sent, and cleared in just 2 business days, rather than 6
- **Stores** all historical data automatically —no more lost pay slips.
- **Employees** have their own profiles to update personal info, download pay slips and T4s
- **Data** is secured in state-of-the-art data centres and replicated in several disaster recovery sites

Small business won't wait

Your customers are looking to solve payroll processing and cash flow problems right now. They can't wait for next generation banking platforms—not when the solution they need is only 3 clicks away.

A TEST DRIVE FOR CUSTOMERS

We're offering a 30-day trial, waiving the monthly fee and charging only a fee-per-payroll-deposit. Customers simply click Payroll, then Start Trial in online banking.

Customers will be sent an automated message to deregister before expiry. Those who don't, automatically become your new customers.

Access and control

All business owners want to pay or pay payments. Small Business Payroll lets them assign anyone they choose as a delegate to prepare payroll for their final approval. Employees, contractors, outside accountants and bookkeepers—anyone the owner chooses can be assigned delegate status.

View and analyze business better

Small Business Payroll lets customers segment employees and analyze compensation in a variety of ways, helping them understand who they're paying and how much. See payments by group, department, or individually. Help them make better business decisions.

No more spreadsheets, paperwork or calculators

Get the automated system that pays everyone fast and works in online banking.
